

Ophthalmic Nurse (RGN): Job Description

iSIGHT has been providing excellence in eye care for over 25 years.

Due to an extension of our normal working practices, we currently have a vacancy for an Ophthalmic Nurse at our main hospital site in Southport, and our out-reach clinics within West Lancashire. As specialists in eye-care we offer services in refractive surgery, laser eye surgery, cataracts, Intravitreal injections, Glaucoma, Ocular plastics, Orthoptics, etc.

You must be RGN or ODP qualified and have a valid NMC or HCPC registration. The main duties of the role;

- Pre-operative assessment
- Admissions for Surgical patients
- Discharge for surgical patients
- Post-operative screening
- Supporting Consultants with Clinics

The successful candidate will be up to date in current practices, including infection prevention controls.

Requirements:

- Registered Nurse with up to date NMC or Registered ODP with up to date HCPC registration
- 1 years' experience working as a RGN, scrub nurse or ODP
- Strong communication skills
- ALS is desirable

In addition, you will also need to possess:

- Good working knowledge of Microsoft Office, Outlook, Excel and Word
- Flexibility & use of a car as travel to nearby sites is required

This role has been created as an extension to our normal working hours will include evenings and weekends.

This is a permanent position based at our main hospital in Southport, Merseyside, and our outreach clinics in West Lancashire. Driving is essential for this post.

Benefits include 20 days holiday and company healthcare, pension scheme and study leave

iSIGHT Clinics is an equal opportunities employer and welcome applicants from all suitably qualified persons regarding of their race, sex, disability, religion/belief, sexual orientation or age. Applicants must have the right to work in the EU. All offers of employment are subject to satisfactory enhanced DBS checks and references.

Salary from £25,000

This position is full-time but would consider part-time

Benefits include 20 days holiday and company healthcare, pension scheme and study leave
